STATEMENT OF NEED

Neurological disorders impact an estimated 100 million Americans every year. Physicians and the interdisciplinary health care team are to be updated on the latest diagnostic, medical, and surgical management of neurological disorders in order to offer patients the most effective treatment options. Topics to be discussed include: endovascular therapy for treatment of ischemic stroke, epilepsy and seizure management, treatment options for back pain syndromes, neurological causes of headache, teaching cases in neurophysiology, updates in neuro-oncology and carotid disease, stroke PA responsibilities, the role of the Mobile Stroke Unit in New York City in improving stroke outcomes, and new treatment options for surgical management of intracerebral hemorrhage. In-depth knowledge of these neurological conditions, and of state-of-the-science options for management will aid physicians in planning the best strategies for successful patient outcomes.

TARGET AUDIENCE

Primary Care Physicians, Neurologists, ER Physicians, Physician Assistants, Residents, Medical Students, Nurse Practitioners, Registered Nurses, and others caring for patients with neurological conditions.

EDUCATIONAL OBJECTIVES

It is intended that this NYP Queens CME activity will lead to improved patient care. At the conclusion of this symposium, the participant will be able to:

- ▶ Describe current endovascular treatment of ischemic stroke.
- ▶ Differentiate epilepsy from non-epileptic seizure and specify management of seizure emergencies.
- ▶ Specify indications for surgical management of back pain syndromes.
- ▶ Identify and differentiate cerebrovascular headaches.
- ▶ Assess teaching cases in neurophysiology.
- ▶ Differentiate types of neurological cancers.
- ▶ Specify signs, symptoms and diagnostic measures to identify carotid disease and describe current management options.
- ▶ Describe examples of stroke PA daily roles and responsibilities.
- ▶ Recognize advances in stroke care involving a Mobile Stroke Unit.
- ▶ Identify new surgical treatment modalities for intracerebral hemorrhage.

INFORMATION/TO REGISTER

Ms. Pamela Williams, Director, Continuing Medical Education
tel: 718-670-1419 • fax: 718-661-7925

ACCREDITATION

NewYork-Presbyterian Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this live activity for a maximum of **5.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE STATEMENT

NewYork-Presbyterian Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

REGISTRATION FEES

\$50	Physicians
\$25	General Registrants
No Fee	Physicians-in-training, NYP Queens Physicians & Staff (copy of NYP Queens ID required with registration)
Fee includes continental breakfast and course materials.	

CANCELLATION

Refunds will only be made upon receipt of written notification a minimum of five work days prior to the session.

DIRECTIONS

NewYork-Presbyterian Queens is located on the corner of Booth Memorial Avenue and Main Street in Flushing. *From the Long Island Expressway:* take the Main Street Exit (#23), travel north on Main Street to Booth Memorial Avenue. *From the Whitestone Bridge:* take the Van Wyck Expressway to the College Point Blvd. Exit; turn left on College Point Blvd. and right on Booth Memorial Avenue. Follow Booth Memorial Avenue to Main Street. *From the IRT Flushing Line #7:* train to Main Street (last stop), then Q44 bus southbound on Main Street; stops opposite the Hospital. NewYork-Presbyterian Queens is located in a residential area with metered parking. Free lock-and-park spaces are available under the Van Wyck Expressway at College Point Blvd. and 58th Road. Shuttle buses to the Hospital run approximately every 10-15 minutes. Limited paid parking is available in our Visitor Parking Lot located on Booth Memorial Avenue opposite the NewYork-Presbyterian Queens Emergency Room.

SPECIAL NEEDS

NYP Queens is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of Continuing Medical Education at 718-670-1419.
