Lung Cancer 2015:

Novel Therapies, Issues and Current Trends in Diagnosis and Treatment

Tuesday, November 17, 2015 | 8:00 am-12:00 pm
 NYP/Queens, Theresa and Eugene M. Lang Center
 for Research and Education-Auditorium
 56-45 Main Street, Flushing, NY

Statement of Need

Lung cancer is the leading cause of cancer deaths in the United States. Recent advances in the diagnosis and treatment of lung cancer have considerably improved the outlook of patients with this disease. Primary care physicians and all others involved in the care of lung cancer patients need to be updated on innovations and current trends in diagnosis and management in order to provide optimal quality patient care. This NewYork-Presbyterian/Queens thoracic symposium on lung cancer will update attendees on the following key topics: Pros and cons of lung cancer screening, guidelines for setting up a lung cancer screening program, novel molecular targeted therapies, advances in the fields of lung failure, interventional pulmonary medicine and radiotherapy, recent application of robotics in thoracic surgery, and current techniques and evidence-based results of pulmonary resection for the treatment of lung cancer.

Target Audience

Primary care physicians, pulmonologists, radiologists, surgeons, medical and radiation oncologists, residents, fellows, interns, medical students, nurse practitioners, nurses, physician assistants and others involved in the care of patients with lung cancer.

Educational Objectives

It is intended that this NYP/Queens CME activity will lead to improved patient care. At the conclusion of this symposium, the participant will be able to:

- Describe the pros, cons, and logistics of lung cancer screening.
- Recognize the molecular mechanisms and efficacies of targeted therapies for lung cancer.
- Specify the management options for lung failure.
- Identify the current innovations in diagnostics and therapeutics in interventional pulmonary medicine.
- Describe novel techniques of radiotherapy for lung cancer.
- Discuss the role of robotics in thoracic surgery, and indications for use.
- Describe the current surgical resection techniques for the treatment of lung cancer and their evidence-based results.

To Register

Ms. Pamela Williams, Director, Continuing Medical Education
 tel: 718-670-1419 • fax: 718-661-7925
 email: pgw9001@nyp.org
Register Online: www.nypqcme.org

8:00-8:30 am **Registration | Continental Breakfast**

8:30-8:35 am **Welcoming Remarks**

Stephen S. Mills
 President and Chief Executive Officer
 NewYork-Presbyterian/Queens

8:35-8:45 am **Introduction to the Scientific Program**

Paul C. Lee, MD, MPH
 Professor of Cardiothoracic Surgery
 Weill Cornell Medical College
 Chief, Thoracic Surgery
 NewYork-Presbyterian/Queens

SECTION 1 • Moderator: Paul C. Lee, MD, MPH

8:45-9:10 am **How to Set up a CT Screening for Lung Cancer**

Bradley B. Pua, MD
 Assistant Professor of Radiology
 NewYork-Presbyterian/Weill Cornell Medical Center

9:10-9:35 am **Targeted Therapy for Lung Cancer**

Naiyer A. Rizvi, MD
 Director of Thoracic Oncology
 Director of Immunotherapeutics
 Division of Hematology and Oncology
 NewYork-Presbyterian/Columbia University
 Medical Center

SECTION 2 • Moderator: Joseph T. Cooke, MD

Chairman, Department of Medicine
 NewYork-Presbyterian/Queens
 Associate Professor of Clinical Medicine
 and Healthcare Policy and Research
 Weill Cornell Medical College

9:35-10:00 am **Management of Lung Failure**

Subroto Paul, MD, MPH
 Director of Thoracic Surgery
 Barnabas Health System

10:00-10:25 am **What is New in Interventional Pulmonary Medicine**

Eugene Shostak, MD
 Assistant Professor of Medicine
 in Cardiothoracic Surgery
 NewYork-Presbyterian/Weill Cornell Medical Center

10:25-10:50 am **Advances in Radiotherapy for Lung Cancer**

Bhupesh Parashar, MD
 Associate Professor of Clinical Radiation Oncology
 NewYork-Presbyterian/Weill Cornell Medical Center

SECTION 3 • Moderator: Stephen R. Karbowitz, MD

Clinical Assistant Professor
 Weill Cornell Medical College
 Director, Division of Pulmonary Medicine
 NewYork-Presbyterian/Queens

10:50-11:15 am **Role of Robotics in Thoracic Surgery**

Andrew Nguyen, MD
 Assistant Professor of Cardiothoracic Surgery
 NewYork-Presbyterian/Weill Cornell Medical Center

11:15-11:40 am **Advances in Surgical Management of Lung Cancer**

Paul C. Lee, MD, MPH

11:40-12:00 pm **Q/A Period**

12:00 pm **Adjourn • Lunch**

Accreditation

NewYork-Presbyterian/Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian/Queens designates this live activity for a maximum of **3.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

(Note: To find out if Nursing credit hours will be available, contact CME at 718-670-1419.)

Disclosure Statement

NewYork-Presbyterian/Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

Registration Fees

\$50	Physicians
\$25	General Registrants
No Fee	Physicians-in-training, NYP/Queens Physicians & Staff (copy of NYP/Queens ID required with registration)
Fee includes continental breakfast, lunch and course materials.	

Cancellation

Refunds will only be made upon receipt of written notification a minimum of five work days prior to the session.

Directions

NewYork-Presbyterian/Queens is located on the corner of Booth Memorial Avenue and Main Street in Flushing. *From the Long Island Expressway:* take the Main Street Exit (#23), travel north on Main Street to Booth Memorial Avenue. *From the Whitestone Bridge:* take the Van Wyck Expressway to the College Point Blvd. Exit; turn left on College Point Blvd. and right on Booth Memorial Avenue. Follow Booth Memorial Avenue to Main Street. *From the IRT Flushing Line #7:* train to Main Street (last stop), then Q44 bus southbound on Main Street; stops opposite the Hospital. NewYork-Presbyterian/Queens is located in a residential area with metered parking. Free lock-and-park spaces are available under the Van Wyck Expressway at College Point Blvd. and 58th Road. Shuttle buses to the Hospital run approximately every 10-15 minutes. Limited paid parking is available in our Visitor Parking Lot located on Booth Memorial Avenue opposite the NewYork-Presbyterian/Queens Emergency Room.

Special Needs

NewYork-Presbyterian/Queens is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 718-670-1419.
