STROKE CONFERENCE

2015

Updates and Developments in Front Line Stroke Care

Tuesday, October 13, 2015 | 7:30 am-1:00 pm

NewYork-Presbyterian/Queens
Theresa and Eugene M. Lang Center
for Research and Education-Auditorium
56-45 Main Street, Flushing, NY

Statement of Need

According to current federal statistics, advances in acute stroke care have led to stroke falling from the nation's fourth leading cause of death to No. 5. Although mortality from stroke is declining, the number of people having strokes in the U.S. is rising each year due to the aging of our population and other indications that strokes have increased in younger groups. Stroke remains a devastating disease that can result in significant impairment. Stroke care emphasizes risk assessment, prevention, management, monitoring according to the latest stroke guidelines, and consideration of special circumstances. Physicians and health care practitioners require updates on the latest diagnostic and therapeutic approaches in order to provide optimal patient care. This stroke conference will provide attendees with evidence-based information on the following key topics: stroke overview, neurointensive care interventions, stroke prevention, management of cryptogenic stroke, indications for intravenous thrombolysis, determinants of stroke center designation, and current recommendations highlighting neuroendovascular treatment.

Target Audience

Primary care physicians, family practice physicians, neurologists, ER physicians, physician assistants, residents, medical students, nurse practitioner, registered nurses, and others involved in the care of patients with ischemic stroke.

Educational Objectives

It is intended that this NYP/Queens CME activity will lead to improved patient care. At the conclusion of this symposium, the participant will be able to:

- ◇ Recognize the signs and symptoms of stroke that prompt emergency evaluation and treatment.
- ◇ Identify current options to diagnose and treat ischemic stroke.
- ◇ Specify treatment of ischemic stroke in the neurointensive care unit.
- ◇ Describe recent developments in stroke prevention strategies.
- ◇ Identify modifiable stroke risk factors and interventions.
- ◇ Recognize patient eligibility for thrombolytic therapy with intravenous rt-PA.
- ◇ Describe cryptogenic stroke and discuss treatment options.
- ◇ Discuss the criteria for stroke center designation-primary and comprehensive.
- ◇ Specify the benefit of neuroendovascular treatment options for stroke.

To Register

Ms. Pamela Williams, Director, Continuing Medical Education

tel: 718-670-1419 • fax: 718-661-7925

email: pgw9001@nyp.org

Register Online: www.nypqcme.org

7:30-8:15 am	Registration Continental Breakfast
8:15-8:30 am	▶ Welcoming Remarks Gary L. Bernardini, MD, PhD Matthew E. Fink, MD, FAAN, FAHA, FANA
8:30-9:00 am	▶ Management of Ischemic Stroke: An Overview Gary L. Bernardini, MD, PhD Professor and Chair, Department of Neurology NewYork-Presbyterian/Queens Vice-Chair, Department of Neurology Weill Cornell Medical College
9:00-9:30 am	▶ Risk Stratification and Stroke Prevention 2015 Randolph S. Marshall, MD, MS Elisabeth K. Harris Professor of Neurology Columbia University College of Physicians and Surgeons Chief, Stroke Division, Department of Neurology NewYork-Presbyterian/Columbia University Medical Center
9:30-10:00 am	▶ Neurocritical Care Interventions for Acute Ischemic Stroke Matthew E. Fink, MD, FAAN, FAHA, FANA Louis and Gertrude Feil Professor and Chairman Department of Neurology Assistant Dean of Clinical Affairs, Weill Cornell Medical College & NewYork-Presbyterian/Weill Cornell Medical Center
10:00-10:30 am	Break
10:30-11:00 am	▶ Recognition and Treatment of Cryptogenic Stroke Ji Y. Chong, MD Assistant Professor of Neurology Weill Cornell Medical College Site Chief of Neurology and Director of the Stroke Center NewYork-Presbyterian/Lower Manhattan Hospital
11:00-11:30 am	▶ Intravenous Thrombolysis "Grey Areas" Michael P. Lerario, MD Assistant Professor of Clinical Neurology Weill Cornell Medical College Attending Neurologist, NewYork-Presbyterian/Queens
11:30-12:00 pm	▶ Update on Primary and Comprehensive Stroke Centers: What are they and why do they matter? Dana Leifer, MD Associate Professor of Neurology Division of Stroke and Critical Care Weill Cornell Medical College Associate Attending Neurologist NewYork-Presbyterian/Weill Cornell Medical Center
12:00-12:30 pm	▶ Neuroendovascular Treatment of Ischemic Stroke Ning Lin, MD Assistant Professor, Neurological Surgery Weill Cornell Medical College Attending Neurosurgeon, NewYork-Presbyterian/Queens
12:30-1:00 pm	▶ Q&A Period/Concluding Remarks

Accreditation

NewYork-Presbyterian/Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian/Queens designates this live activity for a maximum of **4.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NewYork-Presbyterian/Queens is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned approval code **134-3-H-12-30** for **4.0 contact hours**.

Disclosure Statement

NewYork-Presbyterian/Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.
