

## REGISTRATION

Tuesday, November 7, 2017  
7:30 am-12:15 pm  
NewYork-Presbyterian Queens  
Lang Center Auditorium  
56-45 Main Street, Flushing, NY

13th Annual Thoracic Symposium  
**Novel Treatments in  
Interventional Pulmonary and  
Robotic Thoracic Surgery**

### THREE EASY WAYS TO REGISTER:

- 1 Online: Go to website: [www.nypqcme.org](http://www.nypqcme.org) and pay via credit card
- 2 Fax: This form with credit card information to: 718-661-7925
- 3 Mail: This form with a check made payable to:  
NYP Queens-Continuing Medical Education  
Mail to: Pamela Williams, Dir., Continuing Medical Education  
NewYork-Presbyterian Queens  
56-45 Main Street, Flushing, NY 11355

### REGISTRATION FEE-Please check one.

- \$50/Physician
- \$25/General Registrant
- No Fee**/Physicians-in-training, NYP Queens Physicians  
& Staff (copy of NYP Queens ID required, pre-registration requested)

# Novel Treatments in Interventional Pulmonary and Robotic Thoracic Surgery

Tuesday, November 7, 2017 • 7:30 am-12:15 pm

**NewYork-Presbyterian Queens**

Theresa and Eugene M. Lang Center for Research and Education  
56-45 Main Street, Flushing, NY

## STATEMENT OF NEED

Benign and malignant pulmonary disease consists of many disorders that are common in our patient population today. There have been many recent advances in the diagnosis and treatment of these diseases. This 13th Annual NewYork-Presbyterian Queens Thoracic Symposium will review current trends, new technologies, and advances in the diagnosis and treatment of these disorders for primary care physicians and all others involved in the care of thoracic patients. Major topics that will be addressed include novel treatments for tracheobronchomalacia, novel bronchoscopic method for performing transbronchial lung biopsy, endobronchial lung volume reduction for COPD, navigational bronchoscopy, and advanced robotic lung surgery. An evidence-based review of the role of medical and surgical therapy in the treatment of these disorders will be presented. This symposium will address the key and often controversial issues in the diagnosis and treatment of these disorders.

## TARGET AUDIENCE

Primary care physicians, hospitalists, pulmonologists, critical care physicians, thoracic surgeons, medical and radiation oncologists, pathologists, radiologists, nurses, physician assistants, and all others involved in the care of patients with benign and malignant lung disorders.

## EDUCATIONAL OBJECTIVES

It is intended that this NYP Queens CME activity will lead to improved patient care. At the conclusion of this symposium, the participant will be able to:

- Identify new and innovative options in the treatment of COPD including endobronchial valve therapy for COPD.
- Recognize new technologies available in the treatment of airway stenosis including next generation 3-D printing for airway stenting.
- Identify and discuss the management of patients with tracheobronchomalacia including new treatment options such as robotic tracheobronchoplasty.
- Recognize advances in minimally invasive airway surgery including robotic sleeve resections
- Describe new advances in transbronchial biopsy

## REGISTRATION / INFORMATION

Ms. Pamela Williams, Director

Continuing Medical Education

tel: 718-670-1419 • fax: 718-661-7925

Register online: [www.nypqcme.org](http://www.nypqcme.org)

## AGENDA

7:30-8:00 am Registration / Continental Breakfast

8:00-8:05 am **Welcoming Remarks**

8:05-8:10 am ■ **Introduction to the Scientific Program**

**Benjamin E. Lee, MD**

Assistant Professor of Cardiothoracic Surgery

Weill Cornell Medical College

Chief, Thoracic Surgery, NewYork-Presbyterian Queens  
Flushing, NY

8:10-8:45 am ■ **Bronchoscopic Lung Volume Reduction  
for Emphysema**

**Roger Maxfield, MD**

Professor of Medicine

Columbia University Medical Center

New York, NY

8:45-8:55 am ■ **Question and Answer Period**

8:55-9:30 am ■ **Transbronchial Cryobiopsy for Diffuse  
Parenchymal Lung Disease**

**Ryan Kern, MD**

Assistant Professor of Medicine

Interventional Pulmonary Division of Pulmonary,

Critical Care and Sleep Medicine

Mayo Clinic, Rochester, MN

9:30-9:40 am ■ **Question and Answer Period**

9:40-10:15 am ■ **Convergence of Medicine and  
Engineering—Personalization of  
Airway Prosthesis**

**George Cheng, MD, PhD**

Interventional Pulmonary and Critical Care

Assistant Professor of Medicine

Duke University, Durham, NC

10:15-10:45 am ■ **From Maximally to Minimally  
Invasive—Robotic Sleeve Resection**

**Benjamin E. Lee, MD**

Assistant Professor of Cardiothoracic Surgery

Weill Cornell Medical College, New York, NY

Chief, Thoracic Surgery, NewYork-Presbyterian Queens

Flushing, NY

10:45-11:00 am ■ **Question and Answer Period**

11:00-11:30 am ■ **Diagnosis and Evaluation of  
Tracheobronchomalacia—Whom to Treat?**

**Eugene Shostak, MD**

Assistant Professor of Medicine in Cardiothoracic Surgery

Interventional Pulmonologist

Weill Cornell Medical Center, New York, NY

11:30-12:00 pm ■ **Robotic Tracheobronchoplasty**

**Andrew Nguyen, MD**

Assistant Professor of Cardiothoracic Surgery

Weill Cornell Medical Center, New York, NY

12:00-12:15 pm ■ **Question and Answer Period**

12:15-1:15 pm Lunch

## ACCREDITATION

NewYork-Presbyterian Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this live activity for a maximum of **4.0 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## DISCLOSURE STATEMENT

NewYork-Presbyterian Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

## REGISTRATION FEES

<b>\$50</b>	Physicians
<b>\$25</b>	General Registrants
<b>No Fee</b>	Physicians-in-training, NYP Queens Physicians & Staff (copy of NYP Queens ID required with registration)

**Fee includes continental breakfast, and course materials.**

## CANCELLATION

Refunds will only be made upon receipt of written notification a minimum of five work days prior to the session.

## DIRECTIONS

NewYork-Presbyterian Queens is located on the corner of Booth Memorial Avenue and Main Street in Flushing. *From the Long Island Expressway:* take the Main Street Exit (#23), travel north on Main Street to Booth Memorial Avenue. *From the Whitestone Bridge:* take the Van Wyck Expressway to the College Point Blvd. Exit; turn left on College Point Blvd. and right on Booth Memorial Avenue. Follow Booth Memorial Avenue to Main Street. *From the IRT Flushing Line #7:* train to Main Street (last stop), then Q44 bus southbound on Main Street; stops opposite the Hospital. NewYork-Presbyterian Queens is located in a residential area with metered parking. Free lock-and-park spaces are available under the Van Wyck Expressway at College Point Blvd. and 58th Road. Shuttle buses to the Hospital run approximately every 10-15 minutes. Limited paid parking is available in our Visitor Parking Lot located on Booth Memorial Avenue opposite the NewYork-Presbyterian Queens Emergency Room.

## SPECIAL NEEDS

NYP Queens is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of Continuing Medical Education at 718-670-1419.
